

GARAGE/YARD SALE INFORMATION SHEET

Section 2.04- Garage / Yard Sale Signs

A no-fee permit is required. May be used for residential garage / yard sales only. No more than four (4) yard sales per year, per location, shall be permitted. The application for the “no-fee” permit shall include:

- a. Name;
- b. Address;
- c. Address/Location where garage/yard sale will be held;
- d. Telephone Number of Applicant

Size and Type

All signs shall be no larger than six (6) square feet, placed on a single or double stake or other freestanding manner.

Location

- A. One (1) sign at the location of the sale for each street frontage on that property. (i.e., if you have a corner lot, you may have one sign on each street frontage)
- B. One (1) pointer sign per sale may be placed in any intersection under the following conditions: No garage/yard sale sign shall be placed, affixed, stapled, glued, taped to any utility pole, street sign, tree, stop sign, fence, etc.
- C. No garage/yard sale sign shall be placed in any public right-of-way in a manner as to interfere with traffic, both vehicular and pedestrian, or interfere with any residential, commercial or industrial property.

Time

No garage/yard sale signs shall be placed on public property any earlier than seven (7:00) A.M. the day before and must be picked up by seven (7:00) P.M. the day the sale is over.

Removal

Any sign posted or displayed, which is posted earlier than the time-frame specified in this chapter, or is not removed within the time-frame specified in this chapter, shall be subject to removal by the designated city official, and shall be subject to a \$25.00 removal fee.

NOT PERMITTED

No signs may be placed on utility poles or street sign;

or on trees;

or on any fence

cannot exceed 6 sq. ft;

or be within the public right-of-way which interferes with pedestrian or vehicular traffic;

or interfere with commercial or industrial property

PERMITTED
